*Jersey Show*

Jeff Stephens is an internationally respected official judge of all dairy breeds, having judged at county, state, national, and international shows across North America and Europe. Highlights include the 2007 T-D Classic Showmanship, the 2012 National Jersey Show, the 2024 National Ayrshire Show, and the 2023 Red & White Holstein Show.

Jeff resides in Troy, Ontario, with his wife and two daughters next to the family farm where he operates Stephens Genetics. Renowned for his eye for elite cattle, Jeff has achieved global recognition for developing and marketing high-quality animals.

A career highlight came in 2001 when he and his family exhibited Yellow Briar Jolly, who was named Grand Champion Ayrshire Cow at both the World Dairy Expo and the Royal Winter Fair. He has since continued to select, develop, and sell numerous cattle, including standout animals such as Silverdream Major Tootsie, Armcrest Select Bandana, Shadyrail Master Clover, Unique Dempsey Cheers, Fraeland Doorman Bonnie, Vanderburg Amadeo Gorgeous, and Glen Islay Fairytale.

Currently Jeff is a semen sales representative for Blondin Sires and Rapid Bay Jersey Sires in Western Ontario. While Yellow Briar farms sold out in 2016, Jeff and his youngest daughter have developed a 20 cow-calf pair operation of purebred Angus cattle, with the goal of producing a herd of quality genetics and show-quality cattle.

After graduating from the University of Guelph, Jeff ventured out on his own as a fitter and cattle agent. Jeff is a 4-H leader in Hamilton-Wentworth. He gives back to the Canadian Association by volunteering his time at youth judging clinics as well as educational seminars with the goal of passing down his knowledge to the next generation.

The *Ontario Dairy Youth Trust Fund* is a registered charity with the goal of helping to develop youth in the dairy industry to ensure Ontario's strong future in agriculture. The charity is funded solely by donations, from industry, associations and individuals. Today's youth are the most important resource we have in the dairy industry, and we need to ensure they develop the skills necessary to maintain and strengthen the industry into the future. Trustees of ODYTF are a group of nine individuals who are committed to ensuring sound financial management and to providing opportunities for dairy youth.

The Ontario Dairy Youth Trust Fund is proud to support the OSD Future Fitters Competition!
